

Dear Parents/Guardians,

We are holding a 'Sponsored Spell' event at school on **Thursday 14<sup>th</sup> November**. We believe taking part in the sponsored spell will allow children to feel more confident in English and therefore become happier and motivated readers and writers. We aim for all children to develop a love of reading and writing and we believe feeling confident in spelling will help us to achieve this.

Overleaf please find the Year 1 Spelling words. It is up to you and your child to decide which spelling list you would like to practise and learn, eg list 1, list 2, list 3 or all words. If your child needs support, we will use practical methods in the classroom to spell these words eg magnetic letters, saying the letters out loud etc.

If possible, please ask family and friends to sponsor your child for taking part. All sponsorship money will be greatly appreciated and will be used to purchase new books and writing resources for the children to enjoy. Please write which list you and your child have been learning.

Certificates will be awarded for effort and participation!

Thank you for your continued support and happy spelling!
