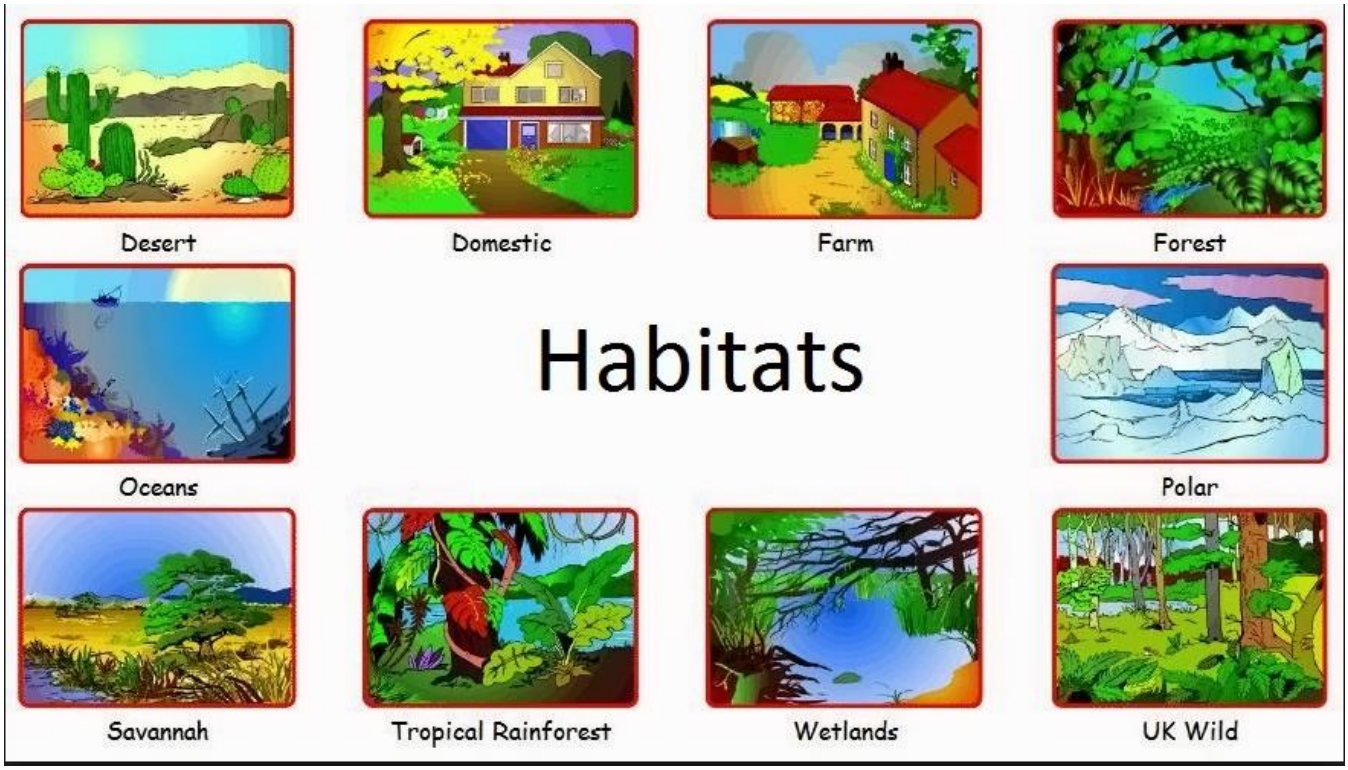
Family Fun Habitat Project

I hope you are enjoying learning about different habitats and the animals that live there! If you would like to carry out some research at home, here is an activity for you to take part in. Bring in your Habitat Project to share with the class on Monday 21st October.

Have fun!

Mrs MacMillan

Science Co-ordinator

Animals and their Habitats


1. Choose 3 habitats and 2 animals that live there.
2. Find out why each animal is suited to its habitat.
3. Record your research in your own way.
