

## 2 Year Old Nursery Learning overview week commencing 8th February 2021

Dear Nursery Parents

Thank you for all your fabulous posts this week on Tapestry. The theme for next week is 'Chinese New Year' and there are lots of fun making and cooking activities. We would like you to post back photos or videos of your child doing at least two of the activities. If you would like another face to face video session it would be lovely to see you so please book following the guidance on the email. We hope you have a good half term and manage to enjoy some time in the fresh air with your families. ***The 2 year old Nursery Team***
