

Autumn Term 2025

How we spend our time in Acorns

At Acorns, we plan a fun and exciting range of activities which the children can engage in each day. Activities are planned around children's interests and ideas, stories and special themes and events such as Book Week, Fathers' day, cultural and religious festivals. Children choose the activities they want to participate in, as well as being able to self-select arts and crafts, games and puzzles available every day.

Here are some of the activities they have enjoyed this term:

Art and Craft

Autumn term was a busy term for Acorns! Children have enjoyed seasonal/festive creative activities ranging from making Diya lamps and Christmas wreaths, to masks and autumn themed arts and crafts. Children can also ask for resources to create their own artwork.

Thank you for all your support

Thank you all for your continued support with Acorns. We are pleased we were able to accommodate so many new families to Acorns at the start of this Autumn term. We understand some of you are still waiting for additional sessions - thank you for your continued patience as we juggle the waiting lists and capacity.

We've really enjoyed having your children with us in Acorns this term! We wish you all a fun-filled festive break and look forward to seeing you back with us in 2026!
