

Summer Term 2023

How we spend our time in Acorns

At Acorns, we plan a fun and exciting range activities which the children can engage in each day. Activities are planned around children's interests and ideas, stories and special themes and events such as Book Week, Fathers' day, cultural and religious festivals. Children choose the activities they want to participate in, as well as being able to self-select arts and crafts, games and puzzles available every day.

Here are some of the activities they have enjoyed this term:

Art and Crafts

Arts and crafts are always on offer at Acorns after school club. These will vary to celebrate different times of the year, special events and topics.

Cooking

Simple cooking activities are also planned in throughout the year. As part of Healthy Living, the children made their own fruit kebabs and ate them for their pudding.

Indoor Play

We are proud of how well our children play together, collaborating, taking turns and sharing. They make new friends from other classes and year groups in Acorns, and look forward to seeing them after school.

Meal Times

Meal times are a fun social time for Acorns children. The meals are freshly prepared by our school chef. Veggie and chicken nuggets are very popular with our children. Acorns staff encourage children to eat fresh and cooked vegetables with every meal.

Outdoor Play

Outdoor play is an important part of after school club activities. Children can choose to play with play equipment and outdoor toys, join in with organised sports and games or enjoy some downtime in our well stocked Reading Den. Our giant sandpit and parachute games are favourites for our Acorns children!

Wake Up, Shake Up!

When we have special events such as the Christmas fair or Wake Up Shake Up in Healthy Living Week, Acorns staff make sure the breakfast and after school club children don't miss out!

Thank you for all your support

We've really enjoyed having your children with us in Acorns this year! We wish all our families a happy Summer break and we are looking forward to seeing many of you back in September.
