

CHESS CLUB

NEW PLAYERS WELCOME

FULL STEAM AHEAD FOR THE SMARTEST KIDS ON THE PLANET!

Chess develops vision, independence, strategic power, a sense of responsibility, and accuracy in calculation, and in addition, it can be played and enjoyed by children as young as five!

We are delighted to be able to offer chess club at Burlington Infant School starting in the spring term. Chess club is open to children in reception, year 1 and year 2, it will be held on a Wednesday after school from 3.25 – 4.25pm

Start Date **Wednesday 12th January** End Date **Wednesday 30th March.**

Chess club welcomes complete beginners to more advanced players, all the children will be learning chess openings and check mates. In the spring term the children will play matches in school to find The Burlington Infant School Chess Champions, winning trophies, medals and rosettes will be awarded at prize giving assembly.

In order to improve your child's chess skills I would recommend they try and play three games of chess a week. I would also advise purchasing a tournament chess mat and pieces and a digital chess clock. The book "Beginner to Winner" by Michael Basman is also available to purchase and offers a good basis for new players.

To join chess club please email Mrs Gledhill juniorchessmasters@hotmail.com complete the form and make payment online or complete the form and bring payment to the school office clearly labelled with your child's name and chess club.
