

Coronavirus (COVID-19) catch-up premium

At Burlington we are using the government 'catch up' funding to support children to address the gaps in learning as a result of lockdown. Our aims for 'catch up' include:

- Supporting mental health of children
- Narrowing the gaps in attainment (YR to Y2)
- Supporting the development of language in EYFS

The school will receive £28,000 for the year to support this targeted work. The following table shows how we are using this money:

Success Criteria	Objective and Actions	Resources and Costing
Gaps in learning to be identified and addressed for all children in Core Subjects	Provide targeted support for children in KS1 to address gaps identified: Focus on consolidation of basic skills including handwriting, phonics application, spelling of common exception words, representation of numbers using a range of models and images. Teachers will identify gaps in children's learning and interventions will be delivered based on individual needs of children. These interventions will be delivered by a teacher and a HLTA	£11,008 for teacher for 1 day every week for the whole year £8278 for HLTA (Higher Level Teaching Assistant) for 1 day every week for the whole year
Develop children's vocabulary	Staff training to develop vocabulary across EYFS through use of story massage Additional speech and language intervention involving parents - Sunshine singers - in hall (YR)	£200 - Story Massage INSET See teacher costs above
Children's emotional wellbeing to be supported	Boxhall Assessments used to identify children whose emotional wellbeing may be a concern following lockdown. Additional ELSA (Emotional Literacy Support Assistant) time allocated for identified children Staff training for story massage - peer to peer massage to support emotional wellbeing ELSA breakfast - for targeted families	Training costs - Boxhall assessment resources cost -£1230 Cost of ELSA additional hours - £4,000 Story Massage training cost - see above Cost of staff and breakfast - £1130 (Monday and Tuesday) £1742 (Wednesday and Thursday) Cost of food : £ 130

TOTAL : £27,718
