In this lesson we are looking at ways we can stay safe when we are online.

We have looked at this before but it's always a good idea to remember what we learnt.

SMART Zoo

Welcome to SMART Zoo. This zoo is very special because all the animals love to go online and use the Internet!

This is Spud Smart. He's the zookeeper and it's his job to remind all the animals to stay safe online.

To do this, Spud follows the **SMART** rules.

This is Croc.

Spud will help.

He is sending messages to the animals
He does not always do the right thing.
What should the animals do?
