

COVID-19 Update

Dear Parents/Carers

We would like to share with you some extra measures we are putting in place to safeguard the school against the spread of infection.

- Start your Day with a Book and reading morning on Fridays will be CANCELLED until further notice.
- Mango morning on Friday 20th March is CANCELLED.
- All trips are CANCELLED until further notice.
- All assemblies are CANCELLED.
- SATs information morning for Year 2 parents which was due to take place on Thursday 26th March will be postponed until the week commencing 20th April. In the mean time we will send home information on various resources which can be accessed at home for children to prepare for the SATs.

How you can help us:

- Please DO NOT enter your child's classroom at drop off or pick up times.
- If you are a parent helper coming into class, please can we ask that you wash your hands upon arrival with soap and water followed by hand sanitizer gel which is kept at the reception window in the school office.
- Please DO NOT come into class if you are a parent helper and have a family member at home who is unwell with a temperature, sore throat or cough.
- Please try to drop off your children as close to 9am as possible and likewise, pick up as close to 3.20pm so we can avoid having large congregations waiting around outside the classroom doors.
- If you have another family member who is at home with a temperature, please notify the school office or your class teacher so that we can monitor your child at school for any signs of a temperature.
- Please encourage your children to practice frequent hand washing at home.

Please be assured that we are doing all that we can to keep our school community safe and we kindly ask for your cooperation. If you have any concerns, please do not hesitate to contact me via the school office.

Best wishes

Mrs S Yay-Walker
Headteacher
