

A magic genie has
given you 3
wishes. What will
your wishes be?

Here are some ideas:

An endless amount of sweets.

A brand new puppy.

To fly to the moon.

**This is what Mr Johnson wished for.
See if you can spot his good mistakes.**

If I had three wishes then my first wish would be for a huge, shiny rocket ship so that I could fly to the moon. i think this wood be a really good wish because I've always wondered wat it would be like on the moon and a rocket ship would be the perfect way to get there! My second wish would be four a massive, long swimming pool right outside my house so that me and all my friends could use it whenever we liked My last wish would be for a new bike, one that never gets a flat tire, and can cycle itself when i am too tired. i hope all these wishes come troo because they'd maik me so happy! If you had 3 wishes, what would they be

Lets plan! What 3 things would you wish for?
