

# English

Summer 2, Week 3

# Week 3 Overview

This week we are learning about trees and our English is visual literacy where we will be rewriting a story from a video. Everything will be done in one session in school. If you are only home learning please complete the whole session and submit any photos on Google classroom.

Lesson 1- Watch the video 'The children's tree' on the slides. Once you have watched the short animated video discuss the story and then sequence it. There will be some snippets from the video on the slides, can you put them in the correct order?

Finally we will be writing the story in our own words. It would be a good idea to do the Grammar lesson on 'What makes a good sentence?' first. Can we use lots of adjectives to make our writing more exciting?

# The Children's Tree

# Can we put the story in the right order?

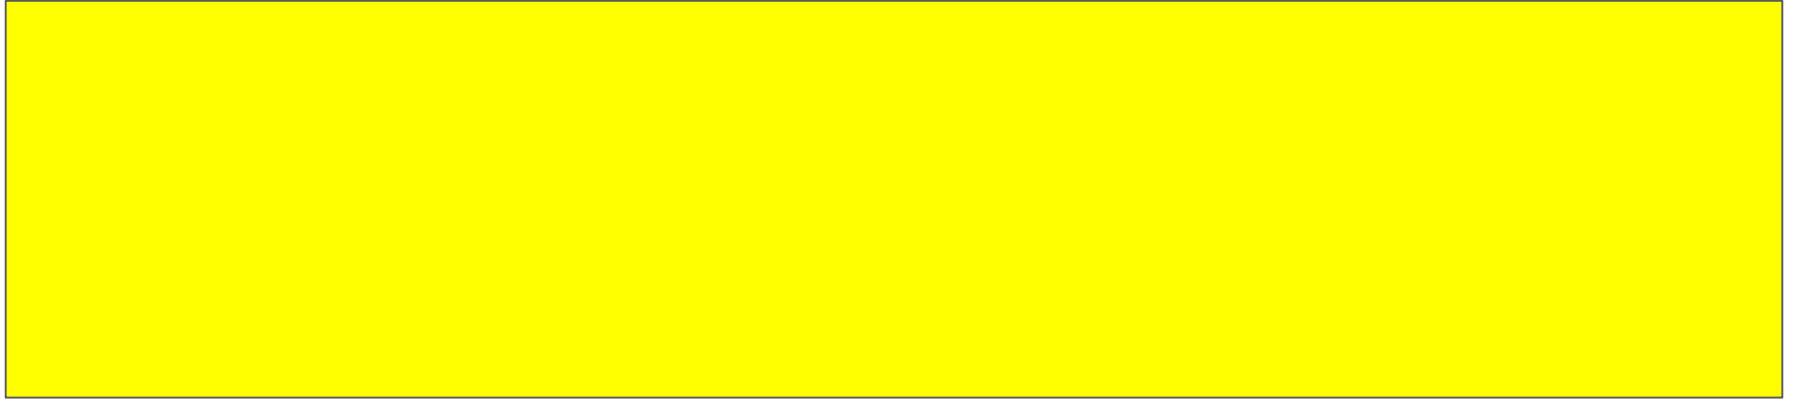

# Did you get it right?

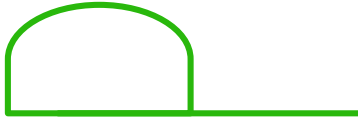

Is this a good sentence? How can we improve it?

the girl saw a tree

# What do we need to remember to write a good sentence?

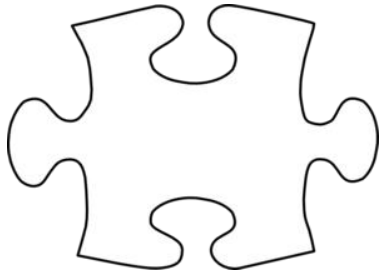

Capital letters

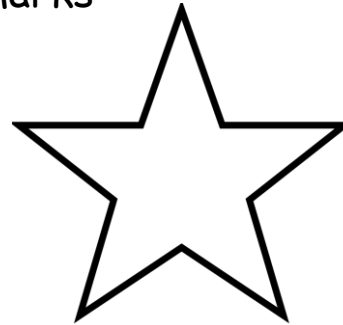

Full stops,  
exclamation  
marks or  
question marks

Finger spaces

Conjunctions  
like 'but' 'and'  
'because'

Adjectives to  
add description  
and make our  
writing more  
interesting.

# Let's have a go at writing our own version of 'The Children's Tree'.

You could write your story on lined paper or if you wanted you could use the comic book style provided with the picture. Make sure you remember to use everything we need to write a good sentence and use plenty of adjectives to make our writing exciting to read!

Check the next slide to see an example.

Have fun! Don't forget to share it with us on google classroom.

One day a little girl was walking along  
a beautiful river when she saw a  
great big tree.

What happened next? Can you add more to the story?
