# Lost teddy goes...

Today someone found a teddy in their house. The owl was Max O'J. The owl went to people's houses and asked them if the teddy belonged to them. But they said no. After that he went to the public office and asked who the teddy belonged to.

© MAX O'J

The teddy felt excited because he thought he might go back to his owner. Then a mother jumped up. That teddy belongs to my baby Daniel! He happily said. Then I'll go to your house Max O'J loudly said. Then go to Frank's Avenue number 10. Yes Max said. Now Max brought the teddy and went home. "I sure had a busy, busy day" Max O'J said.

"Very great!"
