

Exciting news! The popular 'KS1 Inspiration Station' home challenges are returning!

Every Wednesday an inspiring picture along with questions will be uploaded onto Tapestry for KS1 children to discuss and share at home which will hopefully inspire your child to write and draw.

Please share your child's response on Tapestry as a new post titled 'Inspiration Station'.

Each week we will share some of the entries in the school newsletter and also on the school website.

Look out for the first Inspiration Station writing challenge on Wednesday 25th November on Tapestry. We look forward to seeing your writing!
