

Add by making 10

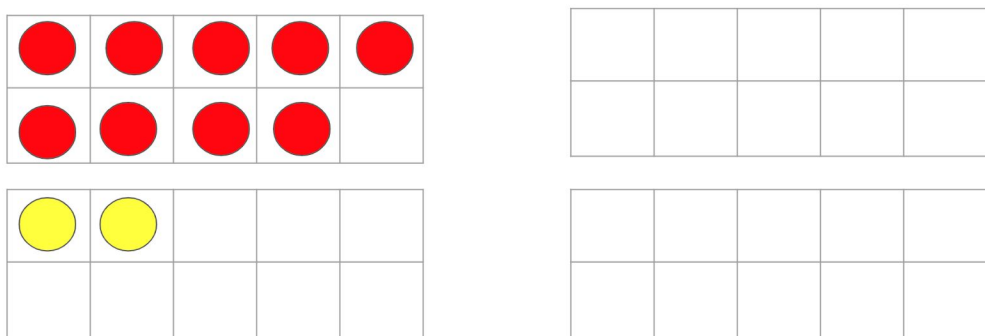

1 The ten frames show that  $6 + 7$  is the same as  $10 + 3$

Draw counters to show that  $5 + 6$  is the same as  $10 + 1$

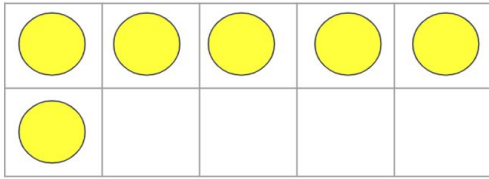

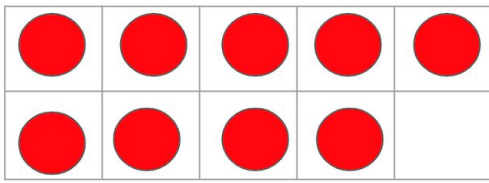

2 Complete the additions.  
Use ten frames to help you.

$$9 + 2 = 10 + \square$$

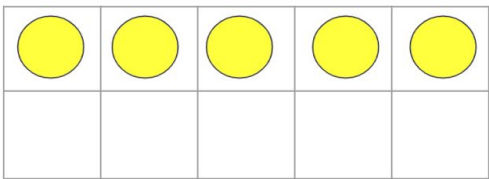

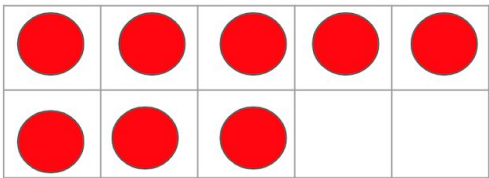

Maths Lesson 3 - Week 4

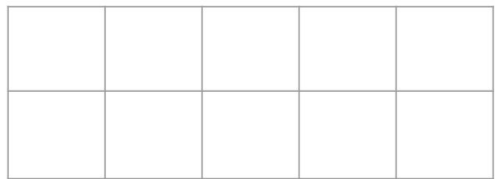

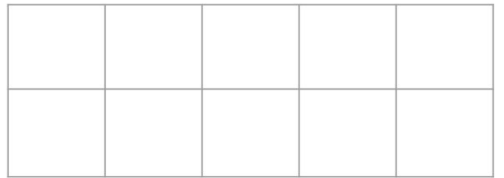

$$9 + 6 =$$

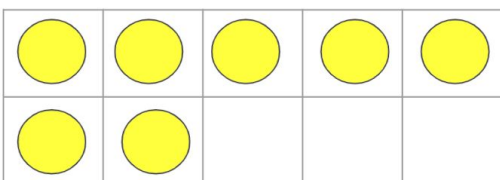

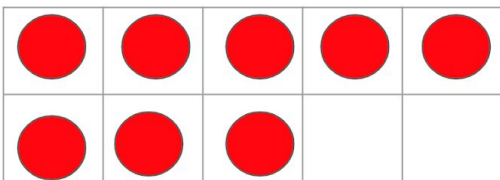

$$10 + \square$$

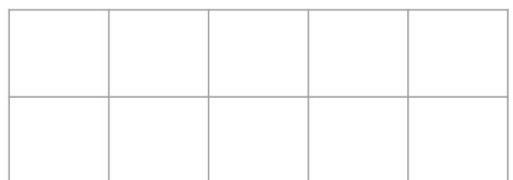

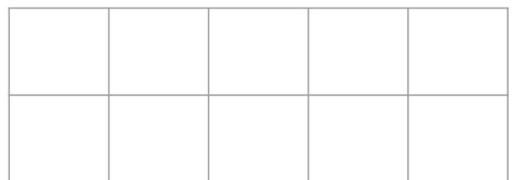

$$8 + 5 =$$

$$10 + \square$$

$$8 + 7 =$$

$$10 + \square$$
