

Burlington Infant and Nursery School  
Instructions for Parents

Dear Parents

We have organised for all parents to have access to Letter-Join. It is a website we use at school for teaching handwriting so many of the children, certainly in KS1 will be familiar with it. It has a range of fantastic resources from finger warm-ups and strengthening exercises, fine-motor skills exercises, handwriting practise, number formation, phonics exercises and even dictation. Shortly your teachers will be setting you tasks to do at home. You can also browse and find exercises you think your child needs or would like to do.

To log on go to <https://www.letterjoin.co.uk>

You will see this home page.

Then log in choosing whether you are using a tablet or computer:

Username: **lj2519**

Password (for computers): **home**

Swipecode (for tablets): top left to bottom left then bottom right

Pupils at Home

**Desktop log-in**

Username: lj2519

Password: home

**Tablet log-in**

Username: lj2519

Swipecode:

You should then see this page.

Click on your class name to see home learning set by your teacher (on the pop-up) or click on **free play** to explore and learn.

If you don't get this page click on **Back to Letter-Join** in the purple box.
