13.1.20

Dear Malden centre ~~the~~ manager,
I'm part of the Burlington Eco school, Eco Council. We go planting ground New Malden. Please clear the litter near the Malden centre to you in the bushes we found tin cans, plastic bottles, litter, shoe ~~shoe~~ shoe covers, please. Please recycle litter.
Thanking you in anticipation

Dear Malden refuse & waste Centre Managers

13.1.20

I am part of the Burlington Infant School Eco Council. Eco council go plogging and we found loads of rubbish outside the gym of the rubber centre we found lots of your blue plastic shoe covers that get thrown into the bushes please can you clean the bushes Eco council found 4 bags of rubbish in those bushes. Thanking you in anticipation

Dear Malden Refuse Managers 13.1.20

I am part of the Burlington Infant School Eco Council. We collect litter around New Malden and we would like you to help us by picking up the litter in the bushes. We also collected rubbish in the bushes and they are FULL of rubbish. We found plastic shoe covers so please reuse them. Please help us because then the animals will be safe and won't die. Thanking you in anticipation.

Dear Malden Centre Manager,

I on behalf of Burlington Ingroup Special Education
we go to do the things it will be
missing if you can't collect rubbish in an
basket of new rubbish for my part I'm only
best for my best ways and signs and please I
the centre can you have your rubbish & food
concerns. * thanking you for help please

Dear Malden Centre
