

WE ARE PLEASED TO ANNOUNCE WE ARE YOUR NEW CATERING COMPANY

We will be starting after Half Term on Tuesday 21st February

OUR COMPANY ETHOS

At Nourish we are passionate about providing nutritional food that our pupils love.

FRESH FOOD

Fresh food is the
heart of Nourish

FRESH IDEAS

Lateral thinking
creating an impact

FRESH APPROACH

Operators at
every level

Our menus are attractive, informative, nutritionally analysed and updated twice a year. We work closely with our schools and hold tasting sessions where the pupils sample a range of dishes and feedback their comments to us.

We work with school councils, attending meetings and acting on the children's comments and requests.

NOURISH FAMILY TREE

Nourish is unique in that our owner directors all work in the business. We are a family that all work together building lasting relationships and understanding our schools' needs.

We look forward to meeting your children at lunchtime.

MEET MR NOURISH

Mr Nourish is our company mascot. He has been a big hit with the pupils, guiding them through menus and writing his own seasonal newsletter advising them of upcoming events, specials days and seasonal foods. Mr Nourish has also visited many of our schools meeting the pupils during lunch and assemblies.
