

Home Learning Year Group: Nursery

Date: Friday 8th May 2020

For Week commencing Monday 11th May 2020

Topic - Growing Summer 1

Thank you to all the parents and children who have been uploading photos and videos. It really does brighten up the Nursery Staff's day to see your activities. Please continue to keep in touch with us and try and post at least one observation a week. If you are experiencing any issues please email the office and they will forward the emails to your individual key workers to resolve.

**Story –**

- 1) Jim and the Beanstalk by Raymond Briggs read by Mrs Davison.
- 2) Oliver's Fruit Salad by Vivian French read by Mrs Davison.

**Phonics-** Can you find different things around your house that start with these sounds? s a t p i n

e.g S sofa

a apple

t table

p pineapple

**Maths- Shape, space and measure - Measuring.**

Continue to measure your plants as they grow and post this on Tapestry.

New challenge - This week I would like you to make a hat. First you will need to measure around your head to make sure the paper fits just like in this week's story. After you have measured around your head and ensured the paper is long enough, now design and decorate the hat. Below are some ideas. I look forward to seeing your completed hats on Tapestry.

## Physical Development

Cooking - Make a fruit salad at home with your family. Try to include a mixture of fruit that you already like to eat and one new fruit.

Remember to wash your hands before doing any cooking activity.  
Listen carefully to your parents as they give you instructions.  
I can not wait to hear about all the new fruits that you have tried.  
Please post this activity on Tapestry.

**Music** - Mrs Williamson has recorded a music lesson for you all to watch and participate in singing songs such as BINGO and Twinkle Twinkle Little Star.
