- **Make a ramp** - prop up a baking tray on a stack of books and roll down toy cars, cylindrical blocks and other toys.
- **Ripping Paper** - collect newspaper and magazines and let your child rip them up. You could even give them a dustpan and brush and teach them how to clean up afterwards!
- **Sensory Tray** - Fill a tray with rice, dry beans, containers and toys.
- **Tossing** - Set up a bin or box. Try to toss balled up socks or crumpled newspaper into it!
- **Shaving foam** - squirt shaving foam onto a tray. Let your child make patterns and swirls on it. They could even try and write their name!
