

## Nursery Tapestry Download

July 2025

Dear parents/carers,

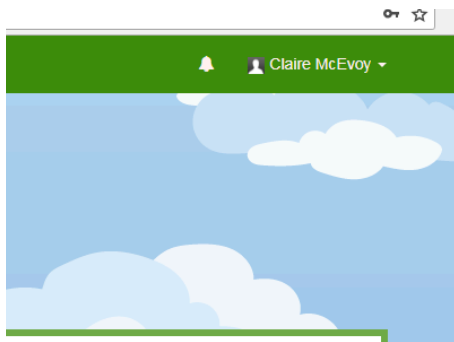

Thank you for all your posts and comments over the year on Tapestry. There will be no more Tapestry from Nursery 7am on Friday 4th July.

You can download your Tapestry posts as a PDF but it will not include videos or Group posts (ones with more than your child) so if you would like these please save the videos or photos from tapestry on your phone as soon as possible.

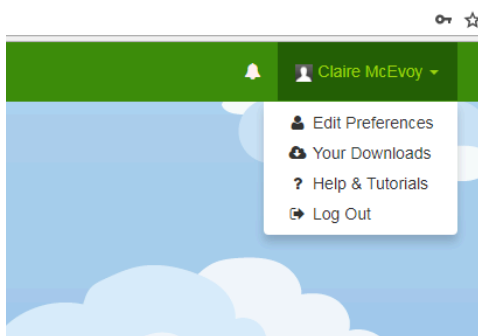

Your child's learning journey covers September 2024 until July 2024. We have deleted all the 'Next week in Nursery' posts. The download will not include group posts (ones with more than your child in or videos).

To access this please follow these instructions:

1. Log into your Tapestry account via the website [www.tapestryjournal.com](http://www.tapestryjournal.com)
2. In the top right-hand corner is your name, please click on your name.

3. This will then bring a drop-down. Click on 'Your downloads'

4. Click 'PDF Downloads' and save your child's learning journey to your computer. You will also be able to save photos and videos your child appears in too.

Please can we remind you that all photos and videos are strictly for private use only. They are not to be shared on any form of social media or other websites.

You have 28 days from the date of this letter to download your child's learning journey. Please contact the school office or the Nursery team on the door if any problems downloading should arise. Your child's Tapestry account will then be transferred over to your child's new class team in Burlington Infant School or deleted if they are leaving the school.

Many Thanks

EYFS team
