

## Nursery Learning overview week commencing 1st February 2021

Dear Nursery Parents

Thank you for all your fabulous posts this week on Tapestry. The theme for next week is 'birds' and there is lots of fun making a play den. We would like you to post back photos or videos of your child doing at least two of the activities, particularly the **maths**. Last week you were sent your child's login details for LGFL and Bug Club and it has been nice to see lots of you using it and have so much positive feedback. It has been lovely to see you in the face to face sessions. If you have not yet booked please do so as they are a great way to catch up. Thank you **The Nursery Team**

<b>Week 5 commencing 1st Feb</b>	<b>Lesson or Activity Blue/Green/Yellow</b>	<b>Story of the day What is your teachers favourite story?</b>	<b>Other activity Rhyme Time Challenge/Song/Physical/Messy activity/Makaton</b>
<b>Monday and Tuesday Double lesson Book inspiration</b>	We read to the end of Alphonse There's Mud on the Ceiling and act out the story! The task is to make a den using blankets, cushions, sheets etc or even under a table. Can your child use their mark making skills to draw the den or make a sign for the den? **LGFL** is a fun learning environment that has a bank of resources that are suitable for children. We particularly recommend Busythings and J2E.com where they can use the **Jit** software. Have fun exploring!

**BugClub** - Your child now has access to **Bug Club**. It is a brilliant website where you can access online books that have been set by your keyworker specifically for your child. The lilac band level books have no words to read but help your child develop story telling and comprehension skills through looking at pictures and talking about them. Please watch the video guide Mrs Davies has made on how to use Bug Club on Tapestry. In time, when your child starts to learn letter sounds they will move onto Pink level books with simple words. Your child will be allocated new book/s every Friday by your keyworker. If you need more books please message us on Tapestry.
