

## Nursery Learning overview week commencing 25th January 2021

Dear Nursery Parents

Thank you for all your fabulous posts this week on Tapestry. The theme for next week is 'squirrels' because the characters in our story meet a squirrel! We would like you to post back photos or videos of your child doing at least two of the activities, particularly the **maths**. This week you will be sent your child's login details for LGFL and Bug Club. There is more information after the overview. We are looking forward to seeing you in our face to face sessions over the next few weeks. Please try and book your session with your keyworker as soon as possible. Thank you **The Nursery Team**

<b>Week 4 commencing 25th January</b>	<b>Lesson or Activity Blue/Green/Yellow</b>	<b>Story of the day The Number Three</b>	<b>Other activity</b>

**LGFL** is a fun learning environment that has a bank of resources that are suitable for children. We particularly recommend Busythings and J2E.com where they can use the **Jit** software. Have fun exploring!

**BugClub** - Your child now has access to **Bug Club**. It is a brilliant website where you can access online books that have been set by your keyworker specifically for your child. The lilac band level books have no words to read but help your child develop story telling and comprehension skills through looking at pictures and talking about them. Please watch the video guide Mrs Davies has made on how to use Bug Club on Tapestry. In time, when your child starts to learn letter sounds they will move onto Pink level books with simple words. Your child will be allocated new book/s every Friday by your keyworker. If you need more books please message us on Tapestry.
