

## Reception Home Learning Week 08.06.20 Parent copy

Dear Parents, this week our priority is to ensure the children returning to school feel safe and happy in their 'bubbles'. We will be focusing on the changes that have been put in place throughout the school for those returning. Teachers will still be uploading videos onto Tapestry for the days children are doing home learning and for those children not returning to school.

Here are some lessons for you for the week of the 8th June. They cover:

- PSED (Personal, Social and Emotional Development)
- Communication and Language
- Literacy (Phonics, reading and writing)
- Maths (Numbers and Space, Shape and Measure)
- Expressive Arts and Design
- Physical Development
- Understanding the World

Our topic is Here, There and Everywhere. This week we will be focusing on countries around the world that children may have visited.

### **PSED**

Discuss with children about home learning and why some children have returned to school in small groups (bubbles).

- Why and how school has changed
- How the classroom may look different especially in videos they may see.
- Why communicating with friends is different now - See Literacy and sending their friend a letter/card.

### **Communication and Language**

Discuss places children have been on holiday outside the UK. Look at holiday photos together and compare the place you visited to England.

Use Google Earth to find the country you visited and look at the continent it's in.

Continents Song: <https://www.youtube.com/watch?v=K6DSMZ8b3LE>

- See video on Tapestry.

### **Literacy**

#### **Writing**

- Continue writing shopping lists to help mum/dad
- Write a card or letter to friend you miss at school and post it.

- Write a list of the places you have been on holiday?
- Write about your favourite Country/continent and why?

Reading- Reading books on Bug Club (please complete the quizzes throughout the book)

Phonics - Recapping all sounds - See video on Tapestry

- New Golden words 'when, out, what' - See video on Tapestry

## Maths - Time

Talk to children about time and introduce how to read a clock.

Model reading O'clock times and what we do at those times (or did) when we were coming to school e.g. wake up 7am, school at 9am etc. What do you do at different times of the day when you're at home?

Model reading half past on the clock and how the big hand has moved to point to a different number. Top marks <https://www.topmarks.co.uk/time/teaching-clock> to show clock hands moving. - See video on Tapestry

## Physical Development

Don Rae: Beanie Bops, Rise and Shine on You Tube

<https://www.youtube.com/watch?v=TXWApjv8Uno>

Cosmic Kids Yoga - Youtube

Letter Join website (Patterns and letters)

## Expressive Arts and Design and Understanding the World

Music - See drumming video on Tapestry

Practise rhyme time songs - See video on Tapestry

Paint a picture of an animal from a country you have visited: Koala, kangaroo, elephant, panda

Timetable of videos

Monday 9am	Different Continents		
Tuesday 9am	Time		
Wednesday 9am	Maths at school	Phonics at school	Rhyme Time
Thursday 9am	Maths at school	Phonics at school	
Friday 9am	Painting animals		

Have a lovely week- please contact your teacher on Tapestry (via an observation if you need any help)
