

## Reception Home Learning Week 11.05.20

Dear Reception - It's time to have a party like the Queen!

This week we be continuing our new topic 'Here, There and Everywhere' with a focus on **London and a Tea Party with the Queen!**

We've listened to some feedback to incorporate some activities that you can fit in related to home. On **Friday 15<sup>th</sup> May** it is International Day of Families. A time to celebrate the importance of families, people, societies and cultures around the world. The Queen will be recording a message for the children on Monday to get ready for a special tea party (please keep this a secret until the children watch her video) for the children to host on Friday (or whatever day suits to fit in with your schedules). She will be adding some suggestions in the video for activities that can be completed at home. She will be asking the teachers to show the children how to do certain things e.g. write invitations, make bunting etc.

### **PSED**

International Day of Families 15<sup>th</sup> May

Founded by the United Nations in 1994, The International Day of Families is observed on May 15 every year. We thought this was a lovely theme and very fitting during lockdown period.

<https://www.un.org/en/observances/international-day-of-families>

### **Communication and Language**

Watch video from the Queen- who is in your family? Maybe look through some photographs and discuss family members.

Talk about ideas for food for your party?

### **Literacy**

Party -Write a shopping list for items needed for your party (or just a general shop) see video on Tapestry

- Write party invitations - See video on Tapestry
- Write down a recipe that you have made for your party?

Phonics -Revision of all sounds (Queen/party related)- see video on Tapestry

Reading- Please remember to log onto your Active Learn account to access online reading books (2 a week would be ideal like at school)

Please complete the Bug quizzes on the pages- if anymore books are required in your account send your teacher a message via Tapestry

## Maths

Number of the Week: **20** and mental maths ideas- Teacher will load video onto Tapestry

- Numberblocks (YouTube)
- How many ways can you make 20?

Tea Party- Make some sandwiches, can you cut them into half?  
Sharing- you might have fruit/veg at your party- can you share it fairly- how much does everyone have each?  
- Make your own cupcakes for the party- can the children help to count out ingredients, weigh them, time how long they need to go in the oven?

## Physical Development

Scissor control- make your own party bunting- see video on tapestry

Daily Cosmic Kids Yoga <https://www.cosmickids.com>

Letter Join website (Patterns and easy letters)

Don Rae -Beanie Bops, Rise and Shine on You Tube

## Expressive Arts and Design and Understanding the World

Make your own party bunting and decorate an area of your house

Make your own party hat- a crown like the Queen?

Go on a virtual tour of Buckingham Palace to take a closer look at where the Queen lives  
<https://www.rct.uk/resources/interactive-virtual-reality-tour-of-buckingham-palace-for-schools>

## Timetable of videos
