

## **Reception Home Learning Week 13.7.2020**

Dear Parents,

Here are some lessons for you for the week of the 13<sup>th</sup> July 2020. They cover:

- PSED (Personal, Social and Emotional Development)
- Communication and Language
- Literacy (Phonics, reading and writing)
- Maths (Numbers and Space, Shape and Measure)
- Expressive Arts and Design
- Physical Development
- Understanding the World

As this will be the last week of the school term, we have decided not to post any videos on Tapestry. At school we will be having a party in our bubble groups to celebrate the end of the school year. This is also something you can join in with at home.

The learning this week will be very similar to the Queen's party you held back in May with lots of fun activities for children to do at home to help them get ready for their end of year party.

Teachers will however, be posting videos of encouragement for the Summer holidays, and we have also compiled a fun list of '50 fun Things to do in the Summer Holidays.'
