[The Last Tree](#)

[Who's Your Real Mum](#)

You can also buy the books from the Regency Bookshop in Surbiton. The books are also on display in the library so your teachers can read them to you when we return to school.

Online Author Visits

The authors of all four books are sending us video messages about their books. We will send you the links to these as soon as we can.

Voting

We would like you to vote on your favourite book by World Book Day on the 4th March - Please click [here](#) to access the google poll to vote for your favourite book by 3rd March.

Pupil Competition

There is a competition for children from all over Kingston and Richmond. To enter they would like you to create your own way of responding to one of the books. You could draw a picture, make a collage or model, make your own book, dress up and take a photo, write your own version, write about what you thought of the book. Please put your entries on Tapestry with the title SPARK Book Award by the end of April.

School Competition Time

Once we have decided on our favourite book we will be thinking of how we can enter the whole competition. Further news after the 4th March!

THANK YOU FOR ENTERING AND GOOD LUCK!
