

Dear Y1 Parents/Guardians,

We are holding a '**Sponsored Spell**' event at school on **Friday 30th April**. We believe taking part in the sponsored spell will allow children to feel more confident in English and therefore become happier and motivated readers and writers. We aim for all children to develop a love of reading and writing and we believe feeling confident in spelling will help us to achieve this.

Below please find the Year 1 Spelling words. It is up to you and your child to decide which spelling list you would like to practise and learn, eg list 1, list 2 or list 3. If your child needs support, we will use practical methods in the classroom to spell these words eg magnetic letters, saying the letters out loud etc.

If possible, please ask family and friends to sponsor your child for taking part. All sponsorship money will be greatly appreciated and will be used to purchase new resources for teaching reading and writing.

Please post on Tapestry which list you and your child have been learning. If you would like to, you can upload a photo of your child's sponsorship form.

Sponsorship money can either be brought into school by Friday 7th May or paid online via your School Gateway account from 26th April.

Certificates will be awarded for effort and participation!

Thank you for your continued support and happy spelling!

Mrs MacMillan
