

# Burlington's TechTime

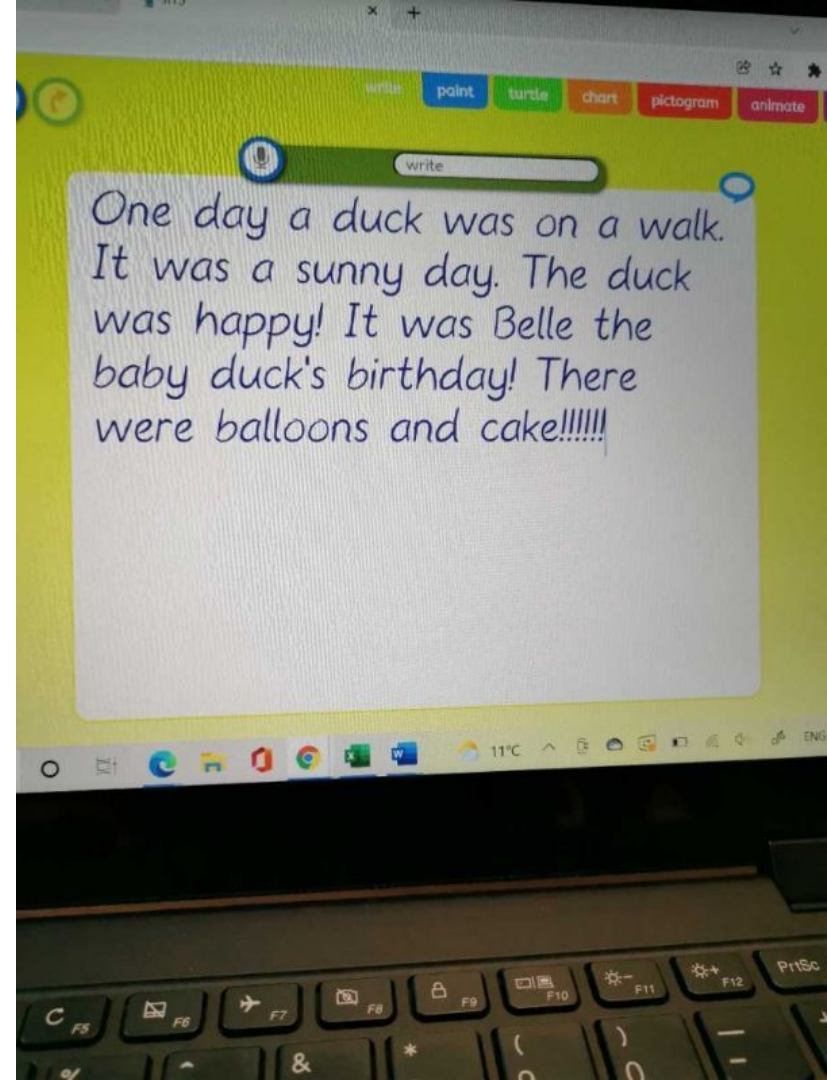

# Year 1

This girl has designed a home page for a child friendly web page on how to grow fruit and vegetables. There are pictures of different fruits and vegetables which also act as buttons to take the user to other pages, such as recipes, games and how to stop animals eating the food!

# Year 1

This boy used the JiT website to write a story about a duck. He did all the typing and asked for some help with the spelling. We also had a go at the first level of the dance mat typing.

# Year 1

This girl did some ICT this morning. We used the write feature on JiT (we think we saved it!) and also did some pictures, and the touch typing game on BBC Bitesize.

# Nursery

This little boy enjoys playing with his remote control dinosaur. He can push a button to make it walk forwards, and there is another button to make it go backwards and turn around. There is also a button on the dinosaur that plays music and lights up when pressed.

# Year 1

This girl loved creating her unicorn fact file on her little computer. She did some excellent typing, using the mouse, the ctrl button for capital letters and saving her work.

# Year 1

This girl wrote about Christmas on her new Chrome Book.

# Reception

Here is a video of Zoe describing how her toy works.

Watch the video here:

# Year 2

Lilly has a good understanding of how using the internet can be traced even after she has switched it off.

## Footprints and Adverts

Record your online activities, or digital footprint, at home over the course of a week.

Write down what you think each activity might tell somebody about you.

If someone was trying to show you adverts online, what items might you see because of each activity?

Activity	What this tells somebody about me	What adverts might you see online because of this?
minecraft	It will tell someone my username.	adverts for minecraft
youtube	The programs I watch	Merchandise
Fortnite Shooter	That I like to play games.	other games.
Tapas	That my school uses it.	school apps
Siri	To find spellings	for people talk about him.
maps	That I go to <del>places</del> places.	That it is helpful
photo	Where I've been	cameras

# Year 1

This girl wrote about herself and then had a play with fonts, colours and other features in Word. She found it really fun!

My name is Helena.  
I live in New Malden.  
My favourite colour is green.  
I am a girl.  
I am 5.  
I love unicorns & fairies.

# Reception

This girl did a really good job at demonstrating how her toy Hoover works. She explained that the toy makes sounds, lights up and how the air inside makes stuff move.
