

Dear Parents/Carers,

What an amazing week of home learning Year 2! We are so proud of you all! We have loved seeing so much of your learning at home from your Wanted posters to your amazing division work, to your science experiments and very energetic PE videos! Thank you for sharing it all with us.

Following feedback, we have included in the timetable a brief description of the activity and the length of time children should spend on the activity. This is the timetable we follow in school with the Key Worker children. The slides provide more detail and explain the learning options. We have highlighted with yellow the tasks which are to be uploaded. This week there are 2 for maths, 2 for English and we would like you to choose one topic piece to be shared with us. Please submit work as soon as it is completed. Work can either be uploaded onto Google Classroom or Tapestry. If you submit work on Google Classroom please remember to click on 'hand in' so that we know to respond to it.

Please remember that if you need paper copies of the learning pack, email the office on admin@burlingtoni.org.uk and we will arrange for you to come and collect a copy. We also have optional exercise books and colouring pencils for parents to collect if they need them.

There are 4 assemblies this week and these will be uploaded daily by Mrs McEvoy. Please see the timetable.

Please remember to use the BugClub website if you do not have reading books at home and if your child enjoys music they can access the Charanga music website. Log in details were shared with parents but if you need this information again, please message your child's class teacher.

Many thanks for all your hard work and support. If you have any questions, please do not hesitate in contacting your class teacher. We hope everyone has a good week.

Year 2 Team

Monday	Tuesday	Wednesday	Thursday	Friday
Daily reading practice 10 minutes	Daily reading practice 10 minutes	Daily reading practice 10 minutes	Daily reading practice 10 minutes	Daily reading practice 10 minutes
