

Dear Parents and Carers

Thank you to all the children and parents who were able to join us for the introductory live sessions. It was a chance for teachers to experience using Google Meet with a class of children and teach children some of the basic tools that they might need to use in our regular sessions. The teachers really enjoyed seeing and hearing the children and it made us all realise how much we miss being with the children in class. Next week we will have regular live sessions starting at 10am and they will last approximately 15 minutes. Each session will look at the day's learning, discuss expectations of work and include some interactive teaching such as games, puzzles or quizzes. Please see the live session timetable:

Monday	Tuesday	Wednesday	Thursday	Friday
Diamonds Emeralds Rubies Sapphires	Diamonds Emeralds Sapphires	Diamonds Emeralds Rubies	Emeralds Rubies Sapphires	Diamonds Rubies Sapphires

Unfortunately we are unable to have a live session everyday due to teachers teaching in school.

The suggested timetable below includes a description of each task we have planned for this week's home-learning. The slides provide more detail and explain the learning options. We have highlighted the tasks which are to be uploaded. This week there are 2 for maths, 2 for English and we would like you to choose a topic piece to be shared with us. Please submit work as soon as it is completed. Work can either be uploaded onto Google Classroom or Tapestry. If you submit work on Google Classroom please remember to click on 'hand in' so that we know to respond to it. Assemblies will continue to be posted onto Google Classroom.

Finally we would just like to say a massive thank you to all the families for their support. It is a huge learning curve for all of us, including teachers and your support and understanding has been an enormous help to us. We hope that the children enjoy the learning we have prepared for next week. If you do have any questions please contact your class teacher and they will do all they can to help.

All the best

Year 1 team

Monday	Tuesday	Wednesday	Thursday	Friday
English Learn when to use capital letters: beginning of sentences, names of people days/months and places. 20mins	English Add the ing suffix to words: fly-flying. 20 mins	English Beegu reading comprehension.
