

Dear Parents/Carers,

We have made it to the final week of the half term - well done everyone! Please remember that Friday 12th February is an inset day therefore there will be no live sessions on this day. Here is the live session timetable for next week. Each session will be at 9.30am for **15 minutes approx.** These sessions will take place on the days your child's teacher is not in school teaching.

| | |
|---------|-----------------------------|
| Saturn | Monday, Tuesday, Thursday |
| Venus | Monday, Tuesday, Wednesday |
| Jupiter | Monday, Wednesday, Thursday |
| Mercury | Monday, Tuesday, Wednesday |

We have included in the timetable a brief description of the activity and the length of time children should spend on the activity. This is the timetable we follow in school with the Key Worker children. The slides provide more detail and explain the learning options. We have highlighted with yellow the tasks which are to be uploaded. Please submit work as soon as it is completed. Work can either be uploaded onto Google Classroom or Tapestry. If you submit work on Google Classroom please remember to click on 'hand in' so that we know to respond to it. There is no maths or spelling homework due this week. Assemblies will be continued to be uploaded daily by Mrs McEvoy and there is a special 'Safer Internet Day Assembly' on Tuesday.

Friday 12th February is Chinese New Year and this year will welcome the year of the ox. We have included an optional Chinese New Year powerpoint and some activities including colouring for your child. Mrs Yay Walker's assembly on Monday will be about Chinese New Year.

Please remember that if you need paper copies of the learning pack, email the office on admin@burlingtoni.org.uk and we will arrange for you to come and collect a copy. We also have optional exercise books and colouring pencils for parents to collect if they need them.

Thank you so much for all your hard work and support over this half term. We will upload the work on Friday 12th February for w/c 22nd February.

Best wishes,

Year 2 Team
