

Dear Parents/carers,

We are delighted to inform you that we are continuing your child's learning journey of Tapestry into Year 1 and Year 2 this year. Thanks to your warm, positive feedback we felt that Tapestry would be a useful tool for capturing your child's learning in the Year 1 and Year 2 curriculum. Our curriculum in Key Stage 1 follows a topic based approach and every half term your child will learn different skills through a range of topics. Tapestry in KS1 will be used to record photos, observations and videos of their topic learning, including Science.

An activation link will be sent to your email address which you will need to click to set up your account. You can access Tapestry from a computer via <https://eylj.org> or by using the 'Tapestry' App on mobile devices. The only people in school with access to your child's Tapestry account will be the staff members who work in your child's class. A staff user policy and agreement is in place and also covers the use of staff working on Tapestry at home.

Many of the most meaningful photographs taken in school show children interacting in group play or activities with peers. We therefore ask that these photos are not shared publicly or uploaded onto any social media websites, in line with our Safeguarding policy. Failing to uphold this request will result in suspending your child's online learning journey.

We hope that this system will prove to be a positive step in sharing information. As well as viewing our contributions, you will also be able to add comments, photos and videos to support home/school learning.

When you have returned the user agreement below your child's KS1 account will be activated.

Many thanks,
Year 1 and Year 2 team

.....

Tapestry Online User Agreement

Child's name:

- I agree to Burlington Infant and Nursery School using Tapestry to create an online learning journey for my child.
- I agree to uphold the school's request not to share or upload any photographs showing other children.
- I agree to my child appearing in group photographs that may be included in other children's learning journeys.
- I agree to keep my log in details secure.
- I agree to my child's teacher working on their learning journey at home and in line with the staff policy and user agreement.
