

Year 1 Week 2 - commencing 8th June Superheroes & Plants!

Learning Overview

We have planned the same learning for children who are coming to school and those who are learning at home. If your child is in school, please note from the table below which lessons will be covered there and which we are inviting you to carry on with at home.

If your child is not coming to school we would love to see as a minimum the maths worksheets (place value - worksheet 1 and partitioning - worksheet 2) and the superhero vegetable as well as reading on Bug Club.

Week 2 - Learning for children <u>attending school</u> for 2 days.	
Work being completed at SCHOOL	<ul style="list-style-type: none"> English 1- Supertato Book and Design your own Vegetable Superhero. PSHE/Book Quiz - The Little Gardener Maths lessons 1 & 2 Place Value and Partitioning Science - What a plant needs to grow and plant a seed. Phonics - revise all phase 3 and practise the ai, ay, a-e sounds. Grammar- when to use capital letters. Spelling - common exception words Handwriting - capital letters. PSHE with DT - make a Worry Doll PE 3 minute Brain breaks
Work to do at HOME	<ul style="list-style-type: none"> Maths lessons Recap number bonds and fractions English 2 Write a letter to a real superhero. Reading on Bug Club PE 3 minute Brain breaks

Week 2 Learning for children <u>staying at home</u> .	
<ul style="list-style-type: none"> English 1 Supertato Book and Design your own Vegetable Superhero. PSHE/Book Quiz - The Little Gardener Maths lessons 1 & 2 Place Value Science - What a plant needs to grow and plant a seed. Phonics - revise all phase 3 and practise the ai, ay, a-e sounds. Grammar- when to use capital letters. Handwriting - capital letters. Maths lessons Recap number bonds and fractions English 2 Write a letter to a real superhero. 	

- Reading on Bug Club
- PSHE with DT - make a Worry Doll
- PE
- 3 minute Brain breaks

English

Lesson 1 (To be done in school)- We will read our new book, Supertato. We will think about superheroes and make our very own fruit and vegetable superhero!

Lesson 2 (To be done at home for all children)- We would like children to think about what makes a hero and to think of a key worker hero who they would like to write a letter to. We would like to encourage children to send their letter to a key worker that they know, or leave their letter on their window for a keyworker to see.

Maths Section 1 - (at school for those attending school, at home for those at home fulltime) Counting up to 100, looking at place value and partitioning of numbers up to 100. **If at home full time, please submit the worksheets on place value and partitioning via google classroom.** Additional activities include completing a missing number 100 square and dot-to-dot pictures up to 100.

Maths Section 2 - (all children at home) Recap of Number Bonds to 10 and 20; Recap of halves and quarters.

PSHE wBook quiz - (at school for those attending school, at home for those at home fulltime) Listen to the book read by Mrs Davies (and her cat) 'The Little Gardener' by Emily Hughs and look at the pictures on the slides. Can you answer the quiz questions?

Science (at school for those attending school, at home for those at home fulltime)

In Science this week we will be looking at what plants need to help them grow. First we will be finding out what plants need and then doing a short activity drawing these different things, there are also some links to BBC Bitesize to find out more and have a go at a quiz. After that we will read the story Grow Flower Grow!

In the next part of the lesson we will be looking at how to plant seeds to grow healthy flowers and writing clear instructions on how to do so.

PSHE with DT (at school for those attending school, at home for those at home fulltime) Listen to the story Ruby's Worry and then make your own worry doll using sticks, paper, wool or scraps of fabric.

Music (at school for those attending school, at home for those at home fulltime)

Join in with Mrs Williamson and her family for this week's music lesson.

Handwriting, Reading, Phonics, Spelling and Grammar

1. Reading: (all at home) Books on Bug Club
2. Handwriting (at school) capital letters ABCDEFGHIJKLMNOP
3. Spelling: (at school) *mind, find, kind, behind*
4. Phonics: (at school) revising using the alternative spellings for the 'ai' phoneme
5. Grammar: (at school) when to use a capital letter'

PE (at school and home)

See all the options for yoga, workouts, dance and gymnastics on the PE slides.

3 Minute Brain Breaks (at school and home)

Fun activities to keep you and your brain active!

ICT (at home)

Optional - Go to J2e or Busy Things and explore!

Make your superhero on J2E!
