

Reception Home Learning Week 03.02.21 TEACHER Copy

Dear Reception

Here are some lessons for you for the week of the 8th February. This is our last week before half-term, so we wanted to make it a fun one! We appreciate the children are now feeling quite tired and some may be feeling very emotional too. This has been a difficult period for everyone, but we need to celebrate all the hard work the children, and you as parents have put in over the past few weeks to support their learning. The children need to wind down and so do you!

Chinese New Year falls on Friday 12th February and Valentine's day falls on Sunday 14th February so we thought that at the end of this week you might want to celebrate with a little party? It is up to you the type of party you have or if you have one at all. We will model how to write a party invitation during our phonics videos.

As per usual videos will be uploaded to Tapestry on a daily basis (the schedule is listed below).

Each week we would like as a minimum 1 x Phonics upload, 1 x Maths upload and 1 other of your choosing.

PSED

Discussion: What are you thankful for?

We have been learning at home for a number of weeks now and some of the children have found this quite difficult. Let's take a moment to reflect and think about something you are thankful for e.g. spending more time with parents, the fact that parents can help us learn at home, we are safe and well.

You may also use this time to look at the work you have done since the beginning of home learning. Maybe you are thankful for making so much progress in your writing?

Communication and Language

Rhyme Time - Little Bo Peep (See video on Tapestry)

Chinese New Year- The Chinese New Year will fall on Friday 12th February. Why and how is this celebrated? (See video on Tapestry)

Literacy
